Hi Yue,

Could I get a copy of your slides from the R workshop yesterday?

Your presentation yesterday was very helpful - thank you!

Hi,

I am the instructor of the "ISRC Workshop: Intro to R." Thank you for signing it up. Just a reminder that the workshop will start at 9:30 am tomorrow (8/13) in Commons room (302), Shaeffer Hall, and, because there are a lot things to show, we will have to start on time. I will show all the codes and outputs in the slides, and share them with you after the workshop. So, you don't have to bring a laptop.

Look forward to seeing you!
