Sure thing.

I appreciate the brief explanation of the different analyses. I was jotting down notes to then give thought to which will be the most appropriate tests for my own research. That was a very helpful refresher!

Hi,

Thank you for attending my workshop. Here's the link of the slides, <https://rpubs.com/sammo3182/Rstat>. I will also appreciate very much if there is any comments or suggestions on the workshop if I can get from you.

Thanks,

Greetings!

Thanks for an interesting workshop today. I plan to attend the other sessions you mentioned today too. Plus, I'd appreciate a copy of the slides from today.

Thanks again!
